

Information for Spooners - March 2021

Tuesday and Friday mornings

Thankfully, you will be aware that arrangements are underway for a return to bowls at Pavilion. It is therefore necessary to inform you of the arrangements being made for the return of Spooners play in order to comply with Government and Bowls England regulations and requirements:

- The session will be restricted to a maximum of 6 triple rinks, playing on alternate rinks.
- All players **must** register before the session to book a place in the Spoondrive.
- Players should arrive ready for bowling as the changing rooms will not be accessible.
- Players **MUST** follow all club regulations regarding Covid procedures and the cleaning and handling of the equipment etc.
- The session will **commence at 10 a.m. and will finish at 11:45** so that the equipment can be cleaned for the next session.

In order to achieve the registration issue, the following procedure will come into force:

- Any player wishing to play in the Spooners session must phone the following number on:

Monday or Thursday

between 6pm and 8:30pm

01903 620346

- Players may only book for themselves. They cannot book for other members.
- Bookings will not be taken at times outside this period.
- When phoning, the player will be given a rink and a playing number (eg A1, A2, A3 or B1, B2, B3, through to F3 etc. and a rink allocation number 1 -6.) The players will be put into the teams purely in order of booking. Whilst the team allocation may not be changed, the positions played (lead, two or skip) can be decided upon amongst the team members should they wish to change the order.

- Score cards will be prepared for the session and brought to the club for the start.
- Score cards should be kept by one of the skips and returned to the identified folder at the end of play.
- Once the ceiling of 36 players has been reached, no further players will be registered to play for that particular session.
- A copy of the list will be submitted to the Greenranger . He will retain the list as required by the Government for 21 days .

Hopefully, the situation will change as we go through the Summer, but this is a way of us returning to the greens and enjoying the play and camaraderie of the Spooners.

Peter Woods
