MAVERICKS SUMMER INDOOR BOWLING

As time draws near for indoor summer bowling, it is apparent that we will not have enough members wanting to play in a league, however it is hoped that we will be able to restart friendly aggregate and rollups.

I have booked 4 rinks on Mondays and Thursdays 10am to 12 noon, we cannot just turn up and play, I must have names in advance, so if you would like to play please contact me, and I will endeavour to organize an enjoyable morning.

Club vacancies

There are a number of vacancies that the Club needs to fill.

Competition Secretary.

Although John Frew recently volunteered to take over from Gerry Shallis, he has had to withdraw due to personal circumstances, and the Club urgently has a need for someone to take over this important role. Remember, without a Competition Secretary there will be no internal competitions.

Safeguarding Officer.

Someone to fill this important role who can look after the interests of our young members and any vulnerable adults in the Club.

Welfare Officer

Carol Tillett has undertaken this role for some time and feels it is time to step down.

RETURN TO BOWLING

It is good to see so many members eager to bowl again.
This is the scene this chilly morning.

HAILSHAM BOWLING CLUB OPEN TOURNAMENT

Given the Government's current roadmap out of lockdown, with "all restrictions lifted by 21 June 2021", we hope to be able to arrange our annual mixed triples invitation event again this year following the disappointment of having to cancel in 2020. This will, of course, be subject to Government restrictions allowing the event to take place and any guidance/recommendations from Bowls England.

We would like to extend this invitation to you or any members of your club to participate in the above event, which as usual will take the format of mixed triples.

The entry fee will be £10 per player (£6 per person for non-playing guests) which will include tea or coffee all day and a cold lunch, afternoon tea and rink fees.

The invitation is limited to a maximum of 24 teams or such lower limit allowed by the then Government regulations. Given the uncertainty, at this time we are asking merely for expressions of interest. When things have become clearer, we will then contact those who have expressed an interest to ask for a committed entry and payment of the entry fee. This will be done on the basis of the order in which the expressions of interest are received until the full complement of 24 teams (or such lower number that we may have to limit it to) have entered. So, the sooner you inform us of your interest, the more likely you are to be able to enter.

We look forward to welcoming you and our many other friends to our club again this season following the difficult year we have all had. Stay safe.
