

## **WINTER Tour 2022**

After a touring club meeting last night, it was decided that our 2022 tour would be to Manor House, Oakhampton, Devon. We will be on tour between Monday 28th February 2022 through to Friday 4th March 2022. We will be endeavouring to run our own tournament at this venue and there will be a cash pot to offer the winners and possibly the runners up. Numbers will create that sum.

This “new” venue offers multiple sporting and craft opportunities for all attending. We propose to run our bowls over the three day attendance and more on that nearer the time.

We are able to obtain double rooms, twin rooms and only seven single rooms for our attenders. A double or a twin room for two people will be £580 a pair, the single rooms will be charged at £350 per room for the first Severn rooms. Thereafter we can have “double” rooms for single people, but at a surcharge of £94 each person. First come, first served for these few rooms.

Bowlers are asked to pay £10 each to facilitate the self run competition. We should have one of the hotels indoor bowls greens to ourselves for certain times of each day.

Breakfast will be offered between 7.30 am to 9.30am; lunch is between 12 noon and 2pm, and the evening meals are between 6.30 to 8.45pm. All meals are buffet style - you just help yourself to what you want!

There will be some form of “in house” entertainment offered, but they will not be like those we received at Bembridge.

If you would like to come on this tour, the attendance sheet is on the board by the Club Secretary’s office in the small hall. There is a necessity to book our room requirements as soon as possible, so I am asking all members who wish to go to place their names onto the list so we can obtain booked rooms at the hotel ASAP. A 25% deposit is requested by a cheque for £150 for each double/twin room, and £100 for each single room. This money is required by our Treasurer Barry Ledger payable to Worthing Pavilion Bowls Touring Club by 15th September 2021.

Transport will be by our own vehicles. Those without transport can be facilitated with lifts, but you will need to advise me of your requirements.

Just to bring you up to date on numbers, we have nearly thirty members and friends booked already.

Should any member have any questions about this tour please speak to either Barry or myself. Thank you.

Timothy Baldwin - Hon. Secretary, Touring Club.

See below for the Summer 2022 tour details
